

Learn To Golf

Do you know someone that is interested in golf?

We've got the perfect solution! This summer we are introducing our new learn to golf initiative and will be offering learn to golf lessons focusing on the basics of golf and how to play on the course.

The format is designed to make new golfers feel welcome and encourage them to become part of our golfing community. These three 30 minute learn to golf sessions will be available to new golfers for just \$45 based on availability.

Call, e-mail or stop by the Ralph Myhre Golf Shop for more information.
